DIRECTOR, CLINICAL SOLUTIONS

hwhitesel@employershealthco.com | 614-763-0837

As a director of clinical solutions, Hannah works closely with Employers Health's vice president of clinical solutions to serve as a resource to benefit professionals throughout the country. In this role, she makes plan design recommendations and provides information on new drugs and overall trends. Additionally, she manages and coordinates on-site vaccination clinics as part of the Employers Health Flu Immunization Program.

Prior to joining Employers Health, she served as a pharmacy intern at a national leading pharmacy and a small family-owned pharmacy. She received her Doctor of Pharmacy and her undergraduate degree in general sciences from Wilkes University. She later obtained her Master of Business Administration from Youngstown State University.
