Kelly DiNardo, CEBS, CBC

VICE PRESIDENT, CLIENT SOLUTIONS

kdinardo@employershealthco.com | 941-504-4013

As a vice president of client solutions, Kelly works closely with self-insured employers to provide strategic oversight of their benefit programs. She collaborates with the employer, their consultant and the PBM, coordinating plan implementations and delivering innovative solutions.

Kelly's previous experience includes working for a health plan and as a benefits consultant. She specialized in employer strategy, developing innovative solutions to create employee benefit programs that support each client's overall business goals while containing costs. She draws from this experience to provide customized solutions and service to Employers Health clients.

Kelly is a graduate of the Certified Employee Benefits Specialist (CEBS) program, through the International Foundation of Employee Benefit Plans (IFEBP). She earned her psychology degree from the University of Missouri. She is a licensed Chartered Benefit Consultant and holds her Life, Accident and Health Insurance license. Prior to moving to Florida's Treasure Coast, Kelly lived in Baltimore, Maryland, St. Louis, Missouri and Cincinnati, Ohio.
