Brett is a director of client solutions supporting self-insured employers throughout the United States. In this role, Brett provides customized support to benefits professionals to ensure proactive and collaborative management between Employers Health clients, their PBM and other employee benefits providers while maintaining high rates of satisfaction and retention.

He is a graduate of the Certified Employee Benefit Specialist (CEBS) program through the International Foundation of Employee Benefit Plans (IFEBC) and Leadership Stark County Spotlight program. Brett currently serves on the Board of Directors at Compassion Delivered in Stark County. Prior to joining Employers Health, he worked as an account manager with Airgas, an Air Liquide Company, for nearly two years. He holds a bachelor's in business management from Grove City College where he was a three-year letterman and team captain on the school's football team, was voted team MVP, all-conference and academic all-conference. Brett was awarded his MBA through Ashland University with a specialty in finance and supply chain.
