mlong@employershealthco.com | 234-401-9826

As a client solutions specialist, Megan supports the Employers Health organization by collaborating with employers and their benefits team to provide personalized support while maintaining high rates of satisfaction and retention.

She obtained a bachelor's degree with highest honors from The Ohio State University in the field of molecular genetics with a minor in economics, graduating summa cum laude in 2006. Megan furthered her education by obtaining her surgical technology/assisting degree from The University of Akron in 2007.

Prior to joining Employers Health, Megan served the health care industry on the clinical side as a surgical assistant. In this role, she gained experience in cardio/thoracic and vascular surgery at United Hospital in Saint Paul, Minnesota. Megan also worked as a crucial operating room team member in the fields of orthopedics and plastic surgery for the Crystal Clinic Orthopedic Center in Akron, Ohio. Outside of work, Megan has lived overseas in Shanghai, China, loves traveling the world and can currently be found attending all her kids' activities.
