CLIENT SOLUTIONS SPECIALIST

mpetit@employershealthco.com | 234-395-0145

Michael is a client solutions specialist at Employers Health. In his role, he supports self-insured employers and their benefits professionals across the U.S. by providing personalized, proactive guidance regarding their pharmacy benefit plan. He collaborates closely with clients, PBMs and vendors to ensure seamless coordination across all entities, strong client satisfaction and meaningful progress toward pharmacy benefit goals.

Michael graduated from Malone University with a bachelor's degree in business administration. Prior to joining Employers Health, he worked as a project manager, where he gained valuable experience in client coordination and operational execution. Outside of work, Michael enjoys working on anything with an engine, staying active outdoors and spending time on the golf course.
