

Teddy Ostapack

CLIENT SOLUTIONS SPECIALIST

tostapack@employershealthco.com | 234-401-9847

Teddy is a client solutions specialist at Employers Health. He works to assist employer clients across the country with questions and updates regarding their pharmacy benefit plan. Through hard work and collaboration with the Employers Health team, he ensures client satisfaction is a top priority.

He graduated with honors from Kent State University with a bachelor of science in hospitality management with a focus on business and leadership. Prior to joining Employers Health, Teddy worked as the director of room operations at the Metropolitan at the 9 in Cleveland, Ohio. In his free time, he enjoys playing basketball and spending quality time with friends and family.
