Mary is a client solutions specialist supporting self-insured employers nationwide. In this role, she provides customized support to benefits professionals to ensure proactive and collaborative management between Employers Health clients, their PBM and other benefits providers while maintaining high rates of satisfaction, engagement and retention.

Mary obtained her bachelor's in communication from Arizona State University in 2022, earning summa cum laude honors. She then went on to obtain her Master of Legal Studies at the Sandra Day O'Connor College of Law in 2025, graduating with distinction. Mary focused her studies on contract management and business law. Prior to joining Employers Health, Mary undertook internships in the pharmaceutical and retail industries, where she worked in internal communications, training and leave of absence benefits. Notably, she designed three new leave offerings for an employer, enhancing their competitive edge in attracting new talent. In her spare time, Mary enjoys being outdoors and spending time with family and friends.
