Corey is a client solutions specialist supporting self-insured employers nationwide. In this role, he provides personalized support and solutions to benefits professionals. He works to ensure proactive and collaborative management between Employers Health clients, their PBM and other benefits providers while maintaining high rates of satisfaction and retention.

Corey graduated from Miami University in Oxford, Ohio with his bachelor's in economics and finance. Before joining Employers Health, he spent nine years in sales, account management and data analytics at a logistics company based in Chicago. When Corey is not working, he enjoys golfing, boating on Lake Cable and spending time with friends and family.
