

Logan Woods

SALES OPERATIONS SPECIALIST

lwoods@employershealthco.com | 234-401-9851

Logan Woods is a sales operations specialist at Employers Health. In this role, his responsibilities include maximizing operational infrastructure, including the organization's customer relationship management platform. In addition, he also assists in reporting, forecasting and budgeting for the team.

He is a graduate of Bowling Green State University majoring in business administration with a minor in finance. In his free time, he enjoys fishing, traveling and being on the lake.
