

Ha Eun Kim, PharmD

CLINICAL ADVISOR

hkim@employershealthco.com | 614-473-0841

As a clinical advisor, Ha Eun works closely with the vice president of clinical solutions and the Employers Health clinical team. In this role, she assists in enhancing plan design recommendations and provides data on new drugs and overall trends. She also assists in delivering flu shots as part of Employers Health Flu Immunization Program.

Her prior experience includes serving as an intern pharmacist at an independent, hospital and specialty pharmacy. Ha Eun obtained her Doctor of Pharmacy from Loma Linda University in California and her undergraduate degree in biology from Southern Adventist University in Tennessee.
