

Chad Sinkovich, CPA, MBA

ACCOUNTING MANAGER

csinkovich@employershealthco.com | 234-401-9833

Chad is an accounting manager with Employers Health. In this role, he is responsible for the preparation and maintenance of accounting records. Additionally, he supports the organization's annual audit and tax return preparation.

Prior to joining Employers Health, Chad worked as a senior accountant specializing in audits for health care industry clients. He obtained his accounting degree from Muskingum University and is currently an active member of the Association of International Certified Professional Accountants (AICPA) and the Ohio Society of CPAs.
