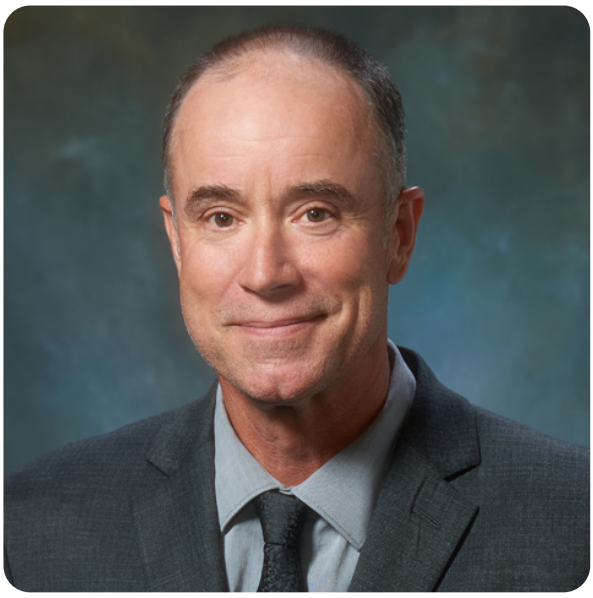
Employers Health™

Jamie Miller

FACILITIES AND TRANSPORTATION MANAGER

jmiller@employershealthco.com | 330-639-2291



Jamie is the facilities and transportation manager at Employers Health. In this role, his goal is to ensure all team members have a clean and safe work environment through routine maintenance and support. His responsibilities include supervision of custodial staff, building maintenance and vendor management.

Jamie is a graduate of Minerva High School. Prior to joining Employers Health, he spent more than 20 years in the construction industry. In his free time, he enjoys outdoor activities and spending time with his wife and four children.
