Matt is a member of the client solutions team supporting self-insured employers throughout the United States. In this role, Matt provides customized support to benefits professionals to ensure proactive and collaborative management between Employers Health clients, their PBM and other employee benefits providers while maintaining high rates of satisfaction and retention.

Matt graduated from Walsh University in December 2020 with a Bachelor of Business Administration, earning cum laude honors. Following the completion of his undergraduate degree, Matt returned to Walsh to continue his athletic career as a member of the university's football program where he served as a team captain while completing his MBA. After serving Employers Health as an intern, Matt joined the client solutions team where he applies the knowledge he gained from industry experts to provide employers with exemplary service. In his free time, Matt enjoys hunting and fishing with friends and family in Ohio and across several states in the midwest.
