As a client solutions executive, Devon works with employers and benefits professionals to achieve high engagement and high satisfaction. She draws on nearly ten years of account management experience to ensure members' goals are achieved.

Before joining the client solutions team, Devon supported Employers Health as the education and events coordinator. In this role, she developed, executed and managed all educational and employer events. She obtained her bachelor's in marketing, magna cum laude, from Walsh University, is a graduate of the Leadership Stark County Spotlight Program and is a member of the Prescription Assistance Network of Stark County's marketing committee. When she's not assisting employers with their benefits strategies, a concert enthusiast, she can be found attending concerts at one of northeast Ohio's great venues.
