

Eric Dublikar, MBA

VICE PRESIDENT, BUSINESS DEVELOPMENT (EAST)

edublikar@employershealthco.com | 234-401-9849

In his role, Eric consults with prospective clients on how they can benefit from Employers Health's array of resources and solutions, including the \$3.5 billion group purchasing solution for PBM services.

Before joining Employers Health, Eric worked at a large health system in multiple roles ranging from human resources to public relations. He holds a bachelor's degree in business administration from Xavier University and an MBA from The University of Akron.

From a community perspective, Eric is an active member of St. Hilary Catholic Church and School. Eric served as the 2013 chairman of ystark!, which is the Canton Regional Chamber of Commerce's young professionals initiative. He was a member of the 34th class of Leadership Stark County and is a former board member of Stark County Catholic Schools.
