Josh serves as a vice president of client solutions working to achieve high engagement, high satisfaction and retention with clients. In his role, Josh collaborates with employers to ensure critical goals are met within their benefit plans.

Josh has more than ten years of experience in client solutions and previously worked at EnvisionRx (now known as Elixir). He is a graduate of the Certified Employee Benefit Specialist (CEBS) program through the International Foundation of Employee Benefit Plans (IFEBP) and Leadership Stark County Spotlight program. He obtained a bachelor's in communications with highest honors while minoring in business management and sociology at Grove City College and his MBA from Fitchburg State University.

Josh currently serves on the Board of Directors at NAMI Stark County. A self-described golf enthusiast, when he's not strategizing with benefits professionals or volunteering in the community, he can be found on the golf course.
